

McDermotts are undertaking the groundworks and civil engineering aspect of the site on behalf of Bowmer and Kirkland.

Once finished, the site will comprise of a 13 storey brand new Coventry City Council Head Quarters.

Location: Friargate, Coventry

Project Value: N/A

Service: Civil Engineering & Groundworks

Work has commenced on the brand new Coventry City Council Headquarters worth £40 million.

The two year project is part of a redevelopment plan for Coventry City Centre.

Once finished the 150,000sq ft complex will accommodate all council workers.

With our recent Apprenticeship program underway, we will be using the site as part of a couple of our apprentices training program. With other Apprentices going to other sites across the county.
